

Constellation Schools

"The Right Choice for Parents and a Real Chance for Children!"

July 7, 2020

Dear Constellation Schools Families,

In preparing plans to open Constellation Schools this Fall, we want to assure you that the safety of our students, our families and our staff is our top priority. With the uncertainty of developments surrounding our health emergency, we recognize plans and activities are constantly changing. The same may occur this Fall as we prepare for the 2020/2021 school year and we consider the implementation of additional safety measures, education delivery, preparing for the possibility of building closures, or implementing modified schedules. Through all of this, we stay committed to providing all of our students with the high-quality education our families expect when attending a Constellation School.

Our reopening teams began planning back in May and used data from the family survey sent out at the end of the school year to support the planning process. This data allowed our teams to make decisions in the best interest of our families and has continued to evolve.

With the release of the Ohio Department of Education's Reset and Restart Plan and the Department of Health's Health and Safety Guidance for Ohio K-12 Schools, we are finalizing our school reopening plan. This will be shared with you in the next few weeks allowing you to plan for the upcoming school year. Your patience and understanding is appreciated.

Sincerely,

A handwritten signature in blue ink that reads 'Rebecca L. Keeney'.

Rebecca L. Keeney
